KLAS Ranks Carestream as a Category Leader.

KLAS helps healthcare providers make informed decisions by ranking medical technology solutions based on comprehensive feedback from healthcare providers. Carestream is honored that KLAS has named our Vue PACS as the category leader in both the European and Asia/Pacific regions.

2,500. This is the number of in-depth provider interviews that KLAS conducts every month. Actually, these interviews represent the opinions of healthcare professionals and clinicians from more than 4,500 hospitals and 2,500 clinics, and account for 750 products and services from more than 200 vendors.

ABOUT KLAS

HONEST, ACCURATE AND IMPARTIAL

2,500. This is the number of in-depth provider interviews that KLAS conducts every month. Actually, these interviews represent the opinions of healthcare professionals and clinicians from more than 4,500 hospitals and 2,500 clinics, and account for 750 products and services from more than 200 vendors.

THE COLLECTIVE VOICE OF CUSTOMERS

This report and KLAS Performance Data are made possible because many thousands of healthcare providers take the time to share with KLAS their experiences and candid feedback about the reality of healthcare technology solutions. Share your experiences with KLAS online at www.KLASresearch.com/eval or via telephone at 800.920.4109.

GLOBAL PACS – REGIONAL CATEGORY LEADER

CARESTREAM Vue is a next-generation healthcare information technology platform that simplifies RIS+PACS+Reporting in radiology, cardiology and mammography. With thousands of proven implementations worldwide, Vue’s scalable enterprise workflow, vendor-neutral archiving and cloud-based services optimize medical imaging for clinical excellence and superior patient care.
