

Carestream Health Inc.  
150 Verona Street  
Rochester, NY 14608

January 22, 2019

To: Carestream Digital Capture Systems Sales Team and Valued Channel Partners

**Subject:** Carestream Health, Inc. Medical Imaging Systems Update

This document is to provide notification of a product sales discontinuance and clarify service and support for these discontinued products. Service and support for previously sold products will continue. Below is a list of Carestream products which we will discontinue on January 31, 2019.

Our goal is to provide a pathway to maintain operational performance of the DRX-Revolution Mobile X-Ray System. We will continue to provide service and support for these items depending on parts available. In all cases we will continue to make a best effort attempt to provide a replacement part or product migration path.

**Service Support and Parts**

Warranty and post warranty parts continues through the Carestream Parts Order Process.

Please contact your Carestream Account Executive or Health Channel Manager or Channel Partner with any questions.

Sincerely,

Debra Benjamin  
Worldwide Product line Manager  
Global X-Ray Solutions
