THAT
CARES
AS
MUCH
AS
YOU DO?

CARESTREAM CR Cassette Refurbishment

Our mission is to give healthcare professionals the tools, services and support they need to provide the highest quality patient care possible. Your organization has a sizeable investment in CR cassettes. If these cassettes are not at their peak performance or damaged — your investment is at risk... and so are your patients.

Our job is to provide you with the best service protection available.

Before

After

Our Expertise

No one is more familiar with your CR cassettes than we are. We have a fully dedicated in-house refurbishment operation at our Rochester, NY, facility to provide specialized service and quick turnaround.

Special Offering and Pricing

We offer hassle-free and reliable CR cassette refurbishment service that will keep you up and running. You have enough things to worry about—and the performance of your cassettes should not be one of them.

Take advantage of this special offer and call us for your CR Cassette refurbishment needs. Our Refurbishment program provides just about everything, including:

- Complete cleaning
- Replacement of bar code, latches, setscrews, corners and labels
- Rescreening phosphor plate
- Original factory tested and qualified
- "White Glove Treatment" for the total delivery process
- 90-day Warranty

Get the Advantage

When it comes to refurbishing your cassettes... rely on Carestream Health. And when you bundle your purchase of CR Cassette Refurbishment with a service agreement and/or upgrade, your savings are much higher!

Ask our expert Field Engineers and/or our Service Solution Specialists for a quote today and sleep tonight. Call 800-322-5711.
